If such warehouseman has applied for licenses to conduct two or more warehouses in the same State, the assets applicable to all of which shall be subject to the liabilities of each, and shall desire to give a single bond meeting the requirements of the act and these regulations for said warehouses, such warehouses shall be deemed to be one warehouse for the purposes of the bond required under this regulation. spected by
licensed
inspector
before

Before accepting any lot of fruit offered for storage the warehouseman shall receive under seal a copy of the certificate issued by the inspector who inspected the fruit at the packing plant. Sec. 2. Paragraph 1. Each warehouseman, when so requested in writing by the depositor or the lawful holder of the receipt for cold pack fruit, shall, to the extent to which in the exercise of due diligence, he is able to procure such insurance, keep such cold pack fruit while in his custody insured in his own name, or arrange for its insurance otherwise, to the extent so requested, against loss or damage by fire, lightning, and / or tornado. Such insurance shall be covered by lawful policies issued by one or more insurance companies authorized to do such business, and subject to service of process in suits brought in the State where the warehouse is located. If the warehouseman is unable to procure such insurance to the extent requested, he shall orally or by telegraph, or by telephone immediately notify the person making the request. When insurance is not carried in the warehouseman's name, the receipt shall show that the cold pack fruit is not insured by him. Nothing in this section shall be construed to prevent a warehouseman from adopting a rule that he will insure all cold pack fruit against loss by fire, lightning, tornado or breakdowns of machinery and equipment.

Insurance
notice to
be posted.

Par. 2. Each warehouseman shall keep exposed conspicuously in the place prescribed by regulation 2, section 4, and at such other place as the chief of the bureau, or his representative, may from time to time designate, a notice stating briefly the conditions under which cold pack fruit will be insured against loss or damage by fire, lightning and/or tornado.

If the warehouseman shall store commodities other than those for which he is licensed, a non-licensed receipt shall be issued. Under no circumstances shall any commodities for the storage of which the warehouseman is not licensed be stored if the storage of such commodities might adversely affect the commercial value of or impair the insurance on cold pack fruit covered by licensed receipts.

Records
to be kept
in safe
place.

Sec. 6. Each warehouseman shall provide a metal fireproof safe, a fireproof vault, or a fireproof compartment in which he shall keep, when not in actual use, all records, books, and papers pertaining to the warehouse, including his current receipt book, copies of receipts issued, and canceled receipts, except that with the written consent of the chief of the bureau, or his representative, upon a showing by such warehouseman that it is not practicable to provide such fireproof safe, vault, or compartment, he may keep such records, books, and papers in some other place of safety approved by the chief of the bureau or his representative.
